## Hints:

- 1) Do not use cheat to increase Love and Corruption, you will lose some event if you do that.
- 2) You don't need to much both of them so play regularly.
- 3) If you want can use the money cheat provided by Kuggazer on your pc.
- 4) I recommend to play each character one by one not all together.
- 5) Your room PC, check characters status, Hourly to advance time, Dev Patreon page, Money cheat.
- 6) Sometime you will found the same character in different room during the same period of time, that's normal, just think one period is made by 6 hours.
- 7) By your Phone you can see all your character status and skip time.
- 8) Bathzone

## **N. 13 – Prison**

(B 12)

You are in Jail, sleep.

Next morning Isabelle the wardress takes you from the director (a woman dunno why...), you get a laundry job but you have to help others prisoners. BTW prison is mixed (I redunno why...).

Now in your jail you have different options to choose, I suggest you to choose laundry at morning, prison yard day time (only), teacher evening, director time don't flow, night sleep... for now!

Your goal is to help all the prisoners to get rewards from them and from director, so start!

Morning laundry, meet Charlotte.

Day time yard, left side meet Arnold. Front side Sasha, Luigi, Angelo and Timothy, again Charlotte. Right side Chloe and again Isabelle.

Each of them has its own problem you have to help solve.

Back to you cell, evening time go as teacher. Back to your cell and sleep.

Next day, laundry. Now that you know the prisoner's problem don't need go yard for a while, so at day time go speak director. You have 3 questions to ask, ask them all, time don't flow. Finish asking questions go for teacher.

Continue next days doing laundry and teacher, rest of the time "Pass time" and sleep, till something new happens.

Charlotte fall down, she need massages, go talk director about her, get the permission to visit her cell.

Sasha stay in class for "extralessons", lick her pussy!

Now in your cell you have one more option "Go to Charlotte".

Choose that option, start massagin Charlotte.

OK, now the Sasha path is very easy and linear, every days get progress till you fuck her ass.

Charlotte path is a little harder, you have to choose the right options to progress, but no penalty if you choose wrong, save if you want.

At the end you will fuck Charlotte to.

Every prisoners you help till end, you can go to director to get your "reward".

Director's reward work like this:

1 - Hand job

2 – Foot Job

3 – Tit Job

4 – Blow Job

5 – Vaginal

6 – Ass

After fuck Sasha ass go to director and ask for HJ. You can stop here working as teacher.

After fuck Charlotte ask director for Foot Job.

Isabelle bring you to director again, Rita is arrived.

Look at the Rita scene till Isabelle start masturbating, ask her to join Rita.

Now Timothy and Angelo are helped so you can ask director for Tit Job.

Isabelle come your cell to give you her personal “reward”, from now on if you want fuck her again, go yard and ask her.

If you want you can also continue fuck Sasha and Charlotte.

Isabella bring you the Teddy Bear Kristell sent to you.

Here you will have two choice: give it to Luigi or give directly to Chloe. I choose Chloe so if you want try different save your game and try.

Chloe path: go yard, give the Bear to Chloe.

When you’re in the yard, try beat Arnold with harm wrestling, is impossible for now but try it.

EVENING time go laundry, Manny and Calavera, two prisoners come and give you a hard lesson because you’re director friend. You will get up in infirmary a few days later and meet Evelyn the prison’s nurse, she invite you to visit her again if you need so in your cell you get a new option “Infirmary”

Go infirmary, tell her you fill not good, do not grab her ass, she need your sperm to “analyze”, you need masturbate here the creator do a superb work helping Max, 11 girl to think about each with a lot photos. After your job Evelyn do her “special analysis”.

Go yard again, speak with Chloe, she tell you his working at night around the prison doing chores.

Night time you have 4 new options to check where Chloe is, try till you find her.

Continue going infirmary, “grab her ass” till you can fuck Evelyn ass.

Continue at night look for Chloe till you fuck her.

When you fuck Chloe ask director for BJ.

After fuck Evelyn ass, going to her a new option will appear “About Arnold” hit this one.

You have found the way to weak Arnold, go yard and beat him!

Next day go director, ask for Vaginal sex.

Now you need train your muscles at yard Arnold place 5 times.

After this go EVENING time laundry, Manny and Calavera coming again but this time you beat them both!

Go to director, speak about them, ask for Ass sex.

Go to sleep.

Your detention will finish.

Your relatives come to take you, bye bye prison.
