A woman with long dark hair is posing in a tropical setting. She is wearing a large, wide-brimmed straw hat with vibrant rainbow-colored stripes (red, orange, yellow, green, blue, and purple). She is also wearing a blue bikini bottom with a ruffled hem and a small pink bow. She is holding a small bunch of red fruit in her right hand. The background is filled with dense, hanging vines and green foliage, with warm sunlight filtering through, creating a soft, golden glow. The overall mood is summery and romantic.

# thanks

First, I would like to thank God for guiding me all through out. All the glory to you. Of course to my very supportive family: mom, dad, sister and all my relatives back in Korea. I love you guys. Without you I wouldn't have made it this far. To Jay Tablante, Hannah Kim, Ara Fernando and to the crew of The Jinri Experience 2, you guys are the best team I ever worked with. Many more projects together in the future! My RX family, for always supporting me in whatever I do. My co-DJs for switching shifts with me for my shoots and our bosses for always understanding! My management team from Icons, thank you for helping me. To all my sponsors, for giving me a chance! Shout-outs to Ultimate Fitness Ortigas for getting my body in shape for this latest book! My Vampire and Daddy Ko family for always supporting me and giving me a part on the great show! My friends, you know who you are. Thank you for always having my back despite all the haters. Last but not the least, my fans, supporters or more known as "Jinjas". You guys are the best fans in the world. Thank you always for the support. Seriously The Jinri Experience wouldn't have made it this far if it weren't for you guys. From the deepest bottom of my heart, I thank you all. Please enjoy this new experience with me!
